# TSA Prohibited Items List

The TSA Prohibited Items List is not intended to be all-inclusive and is updated as necessary. To ensure a traveler’s security, Transportation Security Officers (TSOs) may determine that an item not on the Prohibited Items List is prohibited.

The final decision rests with TSA on whether to allow any items through security checkpoints.

Travelers are encouraged to check with their airline or travel agent for policies as individual airlines may place additional restrictions on any item.

Please note that some items are illegal in certain states and will be subject to state laws. It is the traveler’s responsibility to be aware of state laws in both origination and destination cities.

Please pay careful attention to the “**NOTE**” included at the bottom of each section – they contain important information about restrictions and exceptions.
